HERMIS SIGNALLY BEATEN

E. R. THOMAS'S \$60,000 HORSE FINISHES IN THE RUCK.

son of Hermence High in Flesh and Run Off His Feet by Dublin in the First Mile -Six Favorites Go Down to Defeat on Gravesend Track-The Day's Results

Hermis was vanquished at Gravesend yesterday, vanquished in a way that made the big crowd of 12,000 racegoers open their eyes in wonderment and caused E. R. Thomas, who recently purchased the great racehorse from L. V. Bell for \$60,000, to realize that the fortunes of the turf are not always productive of victory. But to the keen-eyed horsemen and trainers who looked Hermis over in the paddock and on the track it was apparent that the horse was nowhere near a race, that he was very much on the g side. These observations, however, ould not be carried to the thousands who reould not be carried to the thousands who remembered the triumphs of Hermis last year, when he was pronounced the champion racer of the world. So they accepted 3 to 5 readily. Odom was engaged several days ago to ride Hermis, but at the last moment Burns was substituted, which gave rise to a story was substituted, which gave rise to a story to be redden, to the effect that Burns was in the paddock to the effect that Burns was put up at the request of Mrs. Thomas, in opposition to the wishes of Trainer J. H. McCormick. Mrs. Thomas and her husband were close at hand when McCormick gave

his instructions to Burns just outside the It was in the fourth race, a handicap, at a mile and a sixteenth, that Hermis was asked to pick up top weight, 126 pounds, and give away 14 pounds to Dublin, 15 to Waterboy. 22 to His Eminence, 32 to Contend and 18 to Elliott. While there was a frenzy to get aboard the favorite at the prevailing short price. Herbert ruled the second choice at tives, with Dublin and Waterboy both receding to tens and fifteens respectively Dublin took the lead as soon as the barrier was raised and rushed around the lower turn at a terrific rate, with Waterboy and Hermis close behind him. In the middle of the back stretch, Burns moved up a peg with Hermis, but Dublin held him safe apparently.

was on the far turn that Hermis was in difficulty. Burns sat down to ride him with hand and heels, but he was stopping with every stride. Then as he entered the stretch every stride. Then as he entered the stretch and Dublin was drawing away easily. Burns put the \$60,000 horse under the wnip; but it was no use, for the son of Hermence was all out opposite the betting ring and he dropped far back in the ruck. Haack rode Dublin out to the end, where he won by a lengthand a half in 1:46, which equalled the track record. The fractional time of the race was used as an additional excuse for the downfall of Hernus. It was pointed out that the first half was run in 0:47 2-5, the five eighths in 1:60 flat, the three-quarters in 1:13 2-5, and the first mile in 1:39 2-5, a pace that served to kill Hermis at the end of the mile. Dublin is one of the best milers in training, and apparently was at his best yesterday. He ran the last mile in 1:39. That Hermis was short in work, and needs plenty of racing, was the opinion of nearly every turfman who saw his performance. The Western hunch laughed long and loudly over the defeat of Mr. Thomas had some consolation, how-

"McChesney will eat him up, saddle and all!"
they said.
"Mr. Thomas had some consolation, however, when he saw his two-year-old filly
vagary, by Plaudit—Vendee, win the third
event, a selling race for two-year-olds, at
five furlongs. John W. Schorr's Walterin
was a prohibitive favorite at 11 to 20, with
the Goughacres Stable's Bluish second
choice. O'Neil waited with Vagary until
Walterin and Bluish had run each other into
the ground, and then came on with Mr.
Thomas's filly, who won, ridden out, by three
parts of a length from Walterin. The time
was 1:014-5.

the ground, and then came on with Mr. Thomas's filly, who won, ridden out, by three parts of a length from Walterin. The time was 1:01 4-5.

The only stake feature, the Greater New York Handicap Steeplechase, at about two miles and a half, was a farce, as out of eight starters only three finished. Fulminate, the favorite, was beaten a neck in a drive by Adjidaumo, who was under the whip during the run home on the flat. Tankard, who ran third, twelve lengths behind, got a queer looking ride from G. Green; who was hooted by many spectators in the grand stand when he came back to the scales. Lavator fell at the jump opposite the betting ring, while Douro refused the very first obstacle. The time was 4:58.

With ten withdrawn from the first event, for three-year-olds, at about six furlongs, the form players considered Mr. Thomas's Yardarm a gold mine, and made him an oddson favorite at 4 to 5. Yardarm received a weird ride from O'Nell, who took him out in front, then took him back at the turn, where he ran into a pocket, and then, getting him olear in the stretch, put the colt under the whip when it was too late to catch W B. Jennings's Proper, a 30 to 1 shot, who won by two lengths in 1:10. Proper was overlooked by the talent, in spite of several good races on the Coast last winter.

The smart money wagered on Merito and Minotaur in the fifth event, for platers, at a mile and seventy yards, was burned up. H. M. Ziegler and his friends had planned a great coup with Water Tower, who was backed down from 15 to 1 to twelves, and after leading until the top of the stretch was reached, was beaten out in a driving finish by R. T. Wilson, Jr.'s Highlander, who had been backed down to 8 to 1. Minotaur, ridden by Robison, got away poorly and was knocked to his knees at the lower turn. After that he never had a chance, Prank Farrell and the Tammany contingent geldings, at five furlongs. The time was 1:01 4-5. Six favorites were beaten, and Haack rode two winners.

Fine Form. J. B. Haggin's four-year-old colt Waterboy, who ran second to Dublin in the handicap yesterday, will carry the millionaire's colors in the Suburban. Last year Mr. Haggin thought that he had a second Watercolor, but just before the running of the Belmont Stakes Waterboy fractured his shoulder and was thrown out of training. Two veterinary surgeons took hold of him and had him in a sling for three months. After that he was allowed to rest and is now sound. He is by Watercress—Zealandia and is a splendid specimen of horsefiesh.

Senator Jacob Worth has sold Oom Paul by Prince Royal—Tartarine, to E. W. Richardson for \$7.00. The performance of Oom Paul in the Brooklyn Handicap was the reason for his disposal.

Oscar Salling, the jockey, while exercising Spring Silk at Sheepshead Bay yesterday morning was thrown into the rail and had his leg broken. He was taken to the Emergency Hospital.

While at the post for the Handicap yesterday. Toninny, Burns had a narrow escape from injury. Waterboy kicked up his heels and one of them grazed Burns's shoulder.

KIWASSA WINS OCEAN RACE.

SCHOONER TAKES ADAMS CUP ON TIME ALLOWANCE.

Comes In Fifth, With the Endymion Leading Over the Finish Line Six Yachts Start, and the Contest Is a Very Successful One-Times of the Boats.

H. B. Shaen's schooner Kiwassa won the cean race of the Atlantic Yacht Club. finished fifth, but she is so much smaller than the other yachts that they had to allow her lots of time, and on corrected time she beat the Iroquois 11 minutes and 4s seconds, Endymion 28 minutes and 23 seconds, Fleur de Lys 46 minutes and 37 seconds, and Thistle 2 hours and 41 minutes. The other starter in the race, the Estelle, was not timed at the finish. The race was a very successful one. The yachts started at 10 o'clock on Monday morn-

ing, and they had light weather nearly the whole of the race. This was very favorable to the Kiwassa, as the larger boats wanted a fresh breeze to enable them get away from the smaller ones, and so save the big allowance they had to give.

The Endymion sailed a fine race. She was in the lead at Fire Island lightship, and increased that lead considerably for the rest of

the race. The finishing line was at Scotland lightship, and the Endymion passed that point at 1:36 o'clock yesterday morning, but she was not far enough ahead to win the cup. Six yachts started. The Thistle owned by cridered him to the bench: he stopped to puriey, and was told to get off the grounds, which he did reluctantly, watching the remainder of the game from the right-field bleachers.

yachts until midnight, when it went to west northwest. This enabled the yachts to fetch the turning point. The times taken as the yachts rounded the lightship were: Endymion, 11:35:00; Fleur de Lys, 12:33:26; Iroquois, 12:37:10; Estelle, 12:38:42; Thistle, 12:30:05; Kiwassa, 1:23:48.

On the 109 miles the Endymion had beaten the Fleur de Lys 13 minutes 22 seconds, the Iroquois 43 minutes 21 seconds, the Estelle 32 minutes 6 seconds, the Thistle 24 minutes 47 seconds and the Kiwassa 57 minutes 7 seconds.

The course from the North East End lightship to the Barnegat Bell buoy is north northeast, three-fourths east, fifty-three miles, and from the bell buoy to Scotland lightship north by east, one-half east, forty-two miles. There was some windward work, but in the afternoon the wind hauled so that the yachts were able to lay their courses, and as the wind freshened toward evening on Tuesday the last leg of the course was made in fair time.

No Protest as Yet by Princeton. PRINCETON, June 3.—Coach Hillebrand of the Princeton baseball team has given out the statement that no formal protest has been made to Yale against the umpire's has been made to Yale against the umpire's decision last Saturday in calling a man out for batting out of order. Should it be advised the Tigers may then enter a protest against the decision. As to the report that the mistake was made intentionally by Princeton, this is entirely without foundation, for Davis is one of the Tigers' weakest batters and therefore there would be no advantage for the Orange and Black in sending him to the bat out of turn.

Rochester Team May Be Transferred to Montreal.

Montreal. June 3.—President Higgins and one of the directors of the Rochester Baseball Club are here in conference with Montreal parties interested in the game and have agreed on terms for the transfer of the Rochester team to Montreal if the concurrence of the remainder of the Eastern League can be obtained. For that purpose some of the Montreal men will leave for New York to-night to interview President Powers.
